- Individual scholar fellowships or book development or publication
- Scholarly research projects, except in cases where the research is being used directly in the awarded project

- Major museum acquisitions
- Construction, renovation, or historical preservation of buildings
- Lobbying
- Alcohol
- Expenses generated prior to the start of or after the end of the grant award period
- KH programming (such as Kentucky Chautauqua or Speakers Bureau unless approved by KH)

Allowable expenses

- Honoraria, stipends, and salaries for the project
- Services such as rentals, professional printing, and more
- Marketing, advertisements, duplication, and postage
- Travel and per diem costs
- Supplies, program materials, giveaways, and more
- Food (given that it is fundamental to the project and cost is reasonable)
